

I want to help!

By pledging to my local United Way

St. Landry-Evangeline United Way Pledge

Every year, volunteers and staff of St. Landry-Evangeline United Way ask the community to help by providing monetary support to the local United Way by donating or making a pledge. The money raised combined with the promised pledges allow United Way to support local programs that help the people in St. Landry and Evangeline Parishes. Non-profit organizations request funding and the Fund Distribution Committee reviews that request taking in facts such as financial need of the organization, accountability, quality of service and promise of delivery of service. An allocation is made and the committee monitors the use of the funds to assure the donors that the allocation is being used as promised. The allocations are based on the money raised, which means the more money raised, the more services that can be provided locally. In 2005, 25 organizations will be funded because of money promised or donated in 2004. We hope you will join us to make the communities in St. Landry and Evangeline Parishes healthier and happier. You may be the reason someone smiled today!

2005 Pledge

Name of Company or Individual: _____

Company Contact Person: _____ Email address: _____

Phone #: _____ Fax #: _____

Billing Address: _____

City: _____ State: _____ Zip: _____

Pledge

I want to help by pledging a total amount of \$ _____ to be paid by the following method:
