

— UNITED WAY —
WOMEN UNITED

We believe that when women leaders join together, their voices, vision and leadership can make a phenomenal impact on the community. Women United taps into the power, talent and passion of women leaders to transform their communities. WU will focus on helping children succeed through the United Way's Success by Six Initiative and will be responsible for helping improve the lives of others through volunteering, fund raising, and advocating for policies and legislation related to improving the lives of children and families.

Why You? Why NOW?

Today, our communities are yearning for change — the kind of change that is transformational; and the kind of change that will see our **children excelling in school, our families financially stable, our citizenry healthy and secure.**

We see across the country a movement of strong, passionate and capable women organizing and mobilizing to advance the Common Good in their communities, and United Ways' Women United are leading the charge for change..

Women United of St. Landry-Evangeline United Way is a powerful and passionate force for good. As a part of it, you will be an agent of change. As a woman who possesses leadership skills and heart, we are inviting you to combine your passion with other women here and now.

Membership fees support the agenda developed by the WU board, focusing on women and children's issues, which includes The Dolly Parton Imagination Library, Little Free Libraries, a Public Library System, and advocating for stronger domestic violence legislation, pay equality for women, and more.
